Merilyn Sakova (right) defeated Carol Brown in the first round of the "Big-Breast Challenge II" and will go tit-to-tit with Kelly Kay in the quarterfinals.

### CAROL BROWN VS. MERILYN: HE'S CALLING US IDIOTS!

Dear Voluptuous,

You idiots really jumped the gun with October's "Big-Breast Challenge II" matchup between Merilyn Sakova and Carol Brown. You showed Carol a complete lack of respect by saying that Merilyn was going to win "by a fuckin' landslide" and comparing it to Tyson vs. Spinks.

More like Tyson vs. Buster Douglas, in my book. Douglas scored the shocking upset, and so did Carol! She is one of the greatest V-Girls ever. Merilyn is more of a SCORE Girl with her skinny arms, skinny legs and skinny ass.

Carol Brown defines "voluptuous," and she'll always get my vote, you idiots.—T.R., Clinton, New York

Dear T.R.: We usually don't take well to people calling us idiots, but you're entitled to your opinion. And while we agree that Carol Brown is one of the greatest V-Girls

ever, the "Big-Breast Challenge" is all about boobs, not the overall body. By that measure, it's hard to vote against Merilyn, and most readers agreed. Merilyn won, although not by the landslide we predicted (a margin of 68% to 32%). So there was no "shocking upset." Sorry, T.R.

### PUTTING CAROL AGAINST MERILYN WAS UNFAIR

Dear Voluptuous,

Merilyn gets my vote in the "Big-Breast Challenge II," although I think it was unfair to put Carol Brown in the competition. Carol was a great model because of her overall body. Not one part of her body was A+. She was an example of the whole being better than the sum of its parts, and putting her in this competition, especially against Merilyn, belittles what made her great.—P.D., Milwaukee, Wisconsin

### MERILYN: AN EASY WINNER

Dear Voluptuous,

Merilyn has the greatest tits ever, with the possible exception of Linsey Dawn McKenzie. Carol Brown was an okay model who won Model of the Year by a fluke. Merilyn gets my vote. In fact, why don't you just end the contest now? Merilyn has to win.—R.V., Bethpage, New York

Dear R.V.: Merilyn will get the chance to prove she's better than Linsey if the two meet in the finals (that's the earliest they can meet). Before that happens, though, Linsey will have to beat Devon Daniels in the first round. Check out this historic first-round battle on page 12 of this issue. And don't forget to vote!

What made 1998 V-Mag Model of the Year Carol Brown great was her overall body: a great rack and a big, bangable butt. But she didn't have the tit power to match Merilyn Sakova in "BBC-II."

## WHERE IS SHARDAY? UH, WE HAVE SOME BAD NEWS, MEN

Dear *Voluptuous*,

What the hell have you guys been thinking letting over two and a half years go by without any appearances by Sharday? You had the best model of this or any other generation on your hands, and you've let interest in her wane by not featuring her.

I should be angry at the *SCORE* chiefs as well. Since March 2004, she has appeared all of once in *SCORE* (January '05), and even there the copy lied. It was stated in the copy that it was a "new" pictorial. But while it was new in the sense that it hadn't been published previously, it wasn't new. Those pictures were over a year old. One of them was used in her calendar from a year earlier.

The copy to the Sharday vs. Kelly Kay "BBC-II" matchup (July '06) states that Sharday is "currently retired." At other times, you guys have mentioned that she's semi-retired or some other such tripe. Look, guys. Either a model

is retired—done, finished, through, no pictures for you—or she's not. Period. And if Sharday is retired, lo and behold, actual "new" pictures of her are appearing on newsstands right now in your *SCORE* Special #134, *Super Naturals*. So, obviously, she's been willing—if only just a little bit—to continue her modeling career. That can mean only one thing: You guys simply didn't try hard enough, or didn't care enough, to do whatever it took to keep her coming back.

You should've begged, on hands and knees if necessary, to get her in a few issues from March '04 to the present. You should've doubled your usual modeling fee. Sharday is worth it.

And what did you do instead? You introduced Nicole Peters and proceeded to over-hype her to the end of the Earth. "Great One" my ever-loving ass! Not only should you personally write letters of apology to Wayne Gretzky, but Peters couldn't carry Sharday's bra, and yet you guys made her out to be the best thing ever. Whatever. If Peters never appeared again, I frankly wouldn't miss her.

My message to you is this: Bring back Sharday.—A.K., address withheld

Dear A.K.: First things first: Nowhere in the copy for Sharday's January '05 *SCORE* layout was the word "new" used," although it was certainly "new" in the sense that the complete set of photos had never been published. Whenever a great model such as Sharday visits our studio, we make sure to shoot several sets of her. Doing otherwise would be lazy, an example of not trying hard enough to give V-Men what they want. After all, we never know whether a model is walking into our studio for the final time.

Alas, that's what has happened with Sharday. She has, indeed, retired. Done, finished, through, no pictures for you...or anyone else, for that matter. "[Modeling] was one part of my life, and now I'm ready to move on," Sharday said in the December '06 issue of *SCORE*, which features her farewell pictorial. And, yeah, we tried talking her out of retiring. We begged

Sharday's farewell pictorial—and a tribute to one of the all-time great naturals—is featured in the Dec. '06 issue of *SCORE*, available at [eBoobStore.com](http://eBoobStore.com).

her to reconsider. We didn't merely double our usual modeling fee. We tripled it, and more. We made another lucrative offer to her to do hardcore, but she was resolute in her decision to leave modeling forever. Sorry, A.K., but this time, we don't think she's ever coming back. The good news: if you can get your hands on a copy of the December '06 issue of SCORE, it's sure to become a collectors edition.

### THE FIVE QUALITIES OF THE IDEAL VOLUPTUOUS GIRL

Dear Voluptuous,

My ideal big-boob model has five features:

1. Dark hair. Sorry, blondes, but dark hair is more exciting.
2. Curvy figure, perhaps bordering on, or actually being, plump.
3. Large, bulbous, hanging tits.
4. Large, prominent areolae.
5. Pubic hair (trimmed is okay, but not shaved).

Most issues of V-Mag have at least a couple of girls with some of those five features, but your September '06 issue keeps me almost continuously hard because you have three girls who have all five of those features: Romina, Eden and Denise Davies.

I don't see how it could be any better than that. A bonus: all three also have welcoming smiles and juicy pussies. Thanks for an amazing issue.—B.T., Bristol, Pennsylvania

To many V-Men, Denise Davies (Sept. '06) is the perfect V-Girl with her big hangers and overall natural qualities.

## WE LET HIM DOWN, THEN BROUGHT HIM BACK UP

Dear *Voluptuous*,

Thank you for putting out a magazine that celebrates the beauty, charm and perfection of women, both younger and older, with huge, natural breasts. I have been a reader since the beginning, and the girls keep getting more amazing each year.

I must, however, say that I was less than impressed with the August 2006 issue. The quality of women was not up to par with many of the past issues. Don't get me wrong. The issue had a great beginning and ending with Kelli Rose (what an ass!) and Anastaisa (though I disliked her hair in this layout; she should have left it like it was in the hardcore outdoor/car layout, which is one of my all-time favorites). I also found Chevy pretty sexy, though I wish her tits were a lot bigger.

I figured I would not be disappointed two issues in a row, and was I right! The September 2006 issue is what V-Mag is supposed to be like. Eden is hot, sexy, has incredible tits and is well-deserving of a cover. However, if you give the cover to the hottest girl in an issue, then Romina should have gotten it. She is incredible. I think it is her hairy bush that gets me. And, of course, those awesome tits.

Other stand-outs in the magazine are Hayden, Trish, Iva and Denise Davies. Michaela and Sam Springs are gorgeous, but they seem as though they would be unattainable to the average guy. Therefore, I would have

rather seen a couple of different models in this issue.

The woman I find myself growing very attracted to is Kitty Lee. I was not impressed with her at all in her first layout (May '06), but I subscribed to [ScoreVideos.com](http://ScoreVideos.com), saw her interview, and now she is one of my favorites. She seems so down to earth and attainable. Her XXX layout was smokin'. I can't wait to see her in live action.

Speaking of [ScoreVideos.com](http://ScoreVideos.com), Rose Bennett's masturbation video is my

# BIG-BREAST CHALLENGE II

Defending champion Devon Daniels takes on Linsey Dawn McKenzie!

**LINSEY**

**DEVON**

In one corner, we have the defending champion, Devon Daniels, the winner of Big-Breast Challenge I and, in the opinion of many, the greatest big-titted natural ever. In the other corner, we have the challenger, Linsey Dawn McKenzie, considered by many others to be the greatest big-titted natural ever. This might be a dream first-round matchup for some, but if you ask us, we'd rather have seen them clashing in the finals. Such is the luck of the draw.

Linsey was a big-tit rookie when BBC-I got underway in 1996 and, therefore, wasn't in the compe-TIT-ion. So, this is her first chance to go tit-to-tit with Devon, who retired from modeling long before Linsey even got started. Which legend has the best tits? Look over these amazing photos and send your vote to: The BBC-2, 1629 NW 84th Avenue, Miami, Florida, 33126. The deadline for voting is Oct. 31, 2006. ## ROMINA & EDEN MADE THE SEPTEMBER ISSUE SPECIAL

Dear *Voluptuous*,

The September '06 issue is a real standout. I loved the pictorials of Romina Lopez and Eden. These two ladies alone would have justified the cost of my copy of V-Mag.

As if Romina's pretty face and fabulous figure weren't enough, I also appreciated her full but well-kept bush. It added to her natural beauty.

But I must say the real star of this issue was Eden. I liked the photo on page 55 in which she is sitting cross-legged. Although V-Mag is a boob mag, I noticed she has gorgeous legs and feet, not to mention long, dark hair. She also has a pretty smile.

I purchase *Voluptuous*, *SCORE* and *Naughty Neighbors* every month, but *Voluptuous* is my favorite adult mag. I don't see ladies as well endowed as the V-Girls on the street that often, and I don't always fall for women as heavy

# SAMANTHA & SAPPHIRE

**Amazing amounts of tit-flesh in one room. Two V-Girls are *Knockin' Nipples*.**

"I'm not used to being the girl with the smallest boobs in the room," joked blonde sexpot Samantha Sanders, who's toting around a pair of E-cups. But when you're in the same room as I-cup super-plumper Sapphire, who has bigger tits than 99.9999% of the human race, that's going to happen. "Samantha was totally amazed by my breasts," said Sapphire, who goes tit-to-tit with Samantha in the DVD *Knockin' Nipples* (available on page 98). "Even I'm amazed by how big they are now."

For the sheer volume of boob-flesh in one room, this encounter between Sapphire and Samantha (the first girl-girl for both ladies) rivals the greatest tit-to-tit scenes ever. "It's different being with another big-breasted girl," Sapphire said. "I can see why men like big breasts so much. Samantha's are so soft and heavy at the same time. And they're so big!" Said Samantha, "Not only are Sapphire's breasts amazing, but she's a lovely girl and a lovely fuck." She took a suck of Sapphire's nipple. "I can get used to this."

## Devyn Devine: Short, stacked and damn funny!

**She'll make you hard.  
She'll make you laugh.  
We'd rather

INTERVIEW BY DAVE ROSENBAUM & ELLIOT JAMES

*If you like your women short and stacked, Devyn Devine is your girl. She's only 4'10" tall and fills a DDD-cup bra. If you like your women smart, Devyn's your girl, too. She's currently going to college and wants to be a sociology professor one day. And if you like your girls with a sense of humor, well, Devyn claims that she's the funniest person she knows.*

*And don't you dare disagree with her! You do want the chance to play with those big floppers, don't you?*

*Of course you do! You've already seen her hot body in the February '06 and June '06 issues of Voluptuous. Perhaps you've seen her going tit-to-tit and clit-to-clit with Kerra Dawson (another short-and-stacked chick) in the girl-girl DVD Knockin' Nipples. Or maybe you've seen her fucking and sucking in the XXX-rated DVDs Busty Cock Worshippers and XXX Chubby Twats.*

*You know you want some of that. And since Devyn's a kinky girl, you just might get it.*

**V-Mag:** Hi, Devyn.

**Devyn:** Hi!

**Devyn:** Look at my boobs! They are absolutely divine! *[She pushes her tits together]* How could you think that's not divine?

**V-Mag:** Well, I do, and so does every other V-Man. Tell us about your boobs. How big are they?

**Devyn:** Well, they're 36 triple-Ds. Do you know how hard it is to find a nice bra in a 36 triple-D?

**V-Mag:** No, but we'll take your word for it. Are your boobs the only thing that's divine about you?

**Devyn:** Well, I'm also cute. I'm funny. And I'm a kick-ass party girl. I am the life of the party. I'm the funniest person I know. No matter where I am, in any group, I'm the funniest person.

**V-Mag:** Okay, Devyn, let's test you. Knock-knock.

**Devyn:** Okay, that proves I'm the funniest person I know because knock-knock jokes just aren't funny.

**V-Mag:** Well, tell us a joke.

**Devyn:** I'm not joke funny. I'm just funny. Witty.

**V-Mag:** So there's no truth to the stereotype that boob size is inversely related to brain size? Not that I believe that, but some people do.

**Devyn:** Well, I do have a 4.0 grade-point-average. I go to school, and I have a 4.0.

**V-Mag:** What do you want to do with your degree after school?

**Devyn:** I want to teach college. I want to be a sociology professor.

**V-Mag:** Wow! Okay, so let's say you're standing up in front of the room on the first day that you're teaching class. Will you be wearing what you're wearing in these pictures?

**Devyn:** Maybe not the first day, unless it's summer quarter.

**V-Mag:** How tall are you?

**Devyn:** Four-feet-10.

**V-Mag:** Can you take your tits out?

**Devyn:** Sure. *[She stands up and removes her tits from her top.]* Of course you want me to take my boobs out. It's always all about the boobs.

**V-Mag:** But in your case, it's also about your height.

**Devyn:** I get that a lot. Guys like short and stacked girls. I have good genes.

**V-Mag:** You also have very big areolae. Do you know how big they are?

**Devyn:** Honestly, I don't. Maybe two and a half to three inches. Math is not

my major. I wear sandals to class just so I can count to 20. [Laughs] See? I'm funny! Witty!

**V-Mag:** Wait a second, Devyn! Stay where you're standing right now and look down.

**Devyn:** Okay. [She looks down.]

**V-Mag:** You're telling me that you can see your toes?

**Devyn:** I can. I have this little gap between my boobs, and that's how I see my toes. If I push my boobs together [She does], I can't see anything.

**V-Mag:** You know what I was just thinking, Devyn? You wear a 36 triple-D bra. That's 36 plus seven inches, which is 43 inches, which is only 16 inches less than your height!

**Devyn:** [Laughs and pushes her tits together] You can suffocate in my cleavage. Did I tell you that I was a dancer? I was a dancer for six years, and I would take tips with my boobs. Guys would put dollars down on tip row, and I would take them and put them in their mouth, and I'd push my tits together around their faces to take the tip, and I tell ya, I almost killed a lot of men. I'd forget that they were in there. I'd take the dollar and the song would be playing, and I'd forget a guy was in

there, and I'd be like, "Oh, crap, I'd better let him out."

**V-Mag:** So for a buck, a guy would get to put his head between your tits.

**Devyn:** Yes!

**V-Mag:** When did your chest first start to sprout?

**Devyn:** Fourth grade. And it's not a happy story, but I'll tell it anyway. I went straight to a B-cup, and all of a sudden, everybody thought I stuffed my bra, and for four years, through eighth grade, I was known as "Tissue Girl." I would get beat up because everybody thought I stuffed my bra. And then the rest of the girls caught up to me in eighth grade. They stopped calling me "Tissue Girl," but I still had the biggest boobs.

**V-Mag:** They used to call us "Tissue Guys," so we understand.

**Devyn:** [Laughs] So you feel my pain.

**V-Mag:** And you say the other girls caught up in eighth grade? I don't know about that.

**Devyn:** Some of them did. I'm from New York. We grow them big there.

**V-Mag:** Where in New York?

**Devyn:** Brooklyn. Canarsie. Then I moved to Oak Harbor, Washington. My school in Brooklyn was getting metal detectors, and my mother said, "You're going to go some place that's safe." So I went to Washington and moved in with my uncle and lived in the middle of nowhere, and everybody was afraid of me because they thought I was going to beat them up because I was from Brooklyn. I went along with that because there were a couple of granola-eating girls who I didn't like. I was like, "Don't mess with me."

**V-Mag:** Are you a tough girl?

**Devyn:** Sure! I beat people up with my boobs. I just take these babies and smack them!

**V-Mag:** Are your boobs your pride and joy? I only ask because you keep touching them.

**Devyn:** They are. I like to touch them. I can't stop touching them.

**V-Mag:** Do you ever use your boobs to get what you want?

**Devyn:** No. I am not a manipulative female. Unless I have to be. Okay, so sometimes I do use my boobs to get what I want. If I have a certain somebody in my life and I want to just go out and do something that they don't want me to do, I put on an extra-tight shirt and make my boobs squeeze out and talk real nice, and usually eight out of 10 times, I get my way. But I hardly ever do that. I'm not like that. But I will do it sometimes.

**V-Mag:** How do you usually dress?

**Devyn:** I usually wear a short skirt and sandals, and I usually wear shirts that accentuate my boobs but don't show them off. Tight but not a lot of cleavage. Maybe a bare midriff.

**V-Mag:** So, let's say you're in bed with a guy. It's your first time together. This is after how many dates, usually?

**Devyn:** Probably three.

**V-Mag:** What will the guy get after the first date? A kiss?

**Devyn:** Yeah, if I like him.

**V-Mag:** Second date?

**Devyn:** Maybe a little more kissing. It depends on where he's taken me, too. That actually has a lot to do with it. It's all about the vibe. Chemistry.

**V-Mag:** What kind of guys do you normally go for?

**Devyn:** I like rocker guys and surfer guys. I am definitely not Abercrombie & Fitch. That's not my style. I'm not a preppy girl at all.

**V-Mag:** If a guy gets to the third date, what can he expect?

**Devyn:** On the third date, he has a pretty good chance of scoring.

**V-Mag:** Because at this point, you want it as much as he does.

**Devyn:** Yeah, because he's hot, and I don't date guys who are not hot.

**V-Mag:** Why?

**Devyn:** Because I'm hot!

**V-Mag:** Well, what if he's funny?

**Devyn:** He has to be really funny because remember the rule: I am the funniest person I know.

**V-Mag:** So if the guy tries to be funnier than you...

**Devyn:** Well, he's not going to be funnier. That's not even an option.

**V-Mag:** So, Devyn, you go for really good-looking guys who are stupid and have no personality.

**Devyn:** [Laughs] You got the "good-looking guy" right. I like a guy with a brain. I like a guy who loves music. But if he is funnier than me, he has to let me be funnier.

**V-Mag:** But here's the deal, Devyn: If I went out on a date with you, and you were wearing what you're wearing now, I'd do everything possible to make you laugh as much as possible, because when you laugh...

**Devyn:** My boobs jiggle?

**V-Mag:** Yes!

**Devyn:** Sweet!

**V-Mag:** So, where are we going on this third date?

**Devyn:** We're going out for a nice dinner. Private table. There are candles and stars. I'm a hopeless romantic. And there's a good bottle of wine on the table.

**V-Mag:** What are we eating?

**Devyn:** Italian.

**V-Mag:** What are you wearing on this date as opposed to the first date?

**Devyn:** On the first date, it's going to be a little more casual. We're going to go out for a drink or maybe have lunch. I'll wear a skirt and maybe a cute top. By the third date, I'm pulling out all the stops. I'm wearing a black, strapless something or other with come-fuck-me heels, and my makeup is going to be all done.

# CHERRY

**She likes a lot of things. But the things she likes best just might surprise you.**

"I like country and folk music, punk rock and writing songs," said Cherry, an E-cup Brit chick who's planning on making a full-time move into nude modeling. "I like pretty guitars that are mine, false eyelashes, tattoos, baking cookies, making tea in the morning and anal." Whoa! Did she say anal? Maybe Cherry's full-time move into modeling will go very-*ahem*-smoothly.

"I like a man's cock between my tits and in my ass," Cherry said. "I like it best between my tits first, then in my ass. Then he can go back and forth if he wants." We want, Cherry. We want. "Most guys can't tear themselves away from my tits the first time they're with me," she said. "They're just so fascinated by them, and they can't stop playing with them and fucking them. So, while they're fucking my tits, I'll say something like, 'Do you want to fuck my ass?' That gets them every time." Cherry's shaved pussy is an attraction, too. "I guess you could say I'm a sexual wonderland. And I'm always open!"

"Belle looks like the kind of big-titted, slutty-looking stripper I sometimes run into and buy lapdances from at my local strip bar," wrote M.F. from Pittsburgh, Pennsylvania. Now, is that a nice thing to say about a girl? "You're damn right it is!" Belle said when we passed along the compliment. "I definitely have big tits, and I definitely dress to look slutty. I have a high sex drive, and if I don't look slutty, I'm not gonna get as much dick as I need. And boys, I need a lot!" Belle, we're ready for you.

FICTION BY MICHAEL BRACKEN

ILLUSTRATION BY OTIS SWEAT

Eleven months after Elmer's anemic girlfriend, Terri, dumped him for an overweight *Star Wars* fan that still lived in his mother's basement, Elmer got tired of dating his fist. His opportunities to meet potential female companions were severely limited by his night job as a security guard at a warehouse on the outskirts of town, and his ability to charm women on-line lasted until he maxed out his only credit card. So, as a last resort, Elmer mail-ordered a "lifelike love doll with gorgeous soft hair, sensuous eyes, voluptuous figure, and three orifices for serious lovers."

Nine weeks later, long after he'd forgotten about the ad, Elmer woke to an

insistent pounding on his front door that didn't end until he pushed open the screen and stared at the man in brown.

"Sign here." The delivery driver shoved an electronic clipboard in Elmer's face, and Elmer scrawled his name where the man indicated. Then the driver took back the clipboard and returned to his truck.

"Hey," Elmer yelled after him, "what did I sign for?"

The driver didn't respond, and a moment later, the brown truck lumbered down the street. Elmer stepped onto the porch wearing only his threadbare Dallas Cowboys boxer shorts and black slippers and watched the delivery truck disappear around the corner two blocks away.

Elmer blinked against the harsh glare of the mid-afternoon sun, scratched his balls and

returned to bed in his darkened bedroom. He woke up again an hour later, disturbed by a quiet, tentative tapping.

He returned to his front door and jerked it open. "Now what?"

A top-heavy blonde at least 10 years his junior stood on the other side of the screen door and glanced at a piece of paper she held in her slender hand.

"Elmer?" she asked. "Elmer Fuddlemann?"

The blonde was wearing a tight-fitting brown wrap, and when she turned just so, the afternoon sun behind her made it nearly invisible. She was wearing nothing underneath the wrap, and Elmer swallowed hard when he saw the contours of her massive mams.

"Yeah?" he said.

"May I come in?" she said.

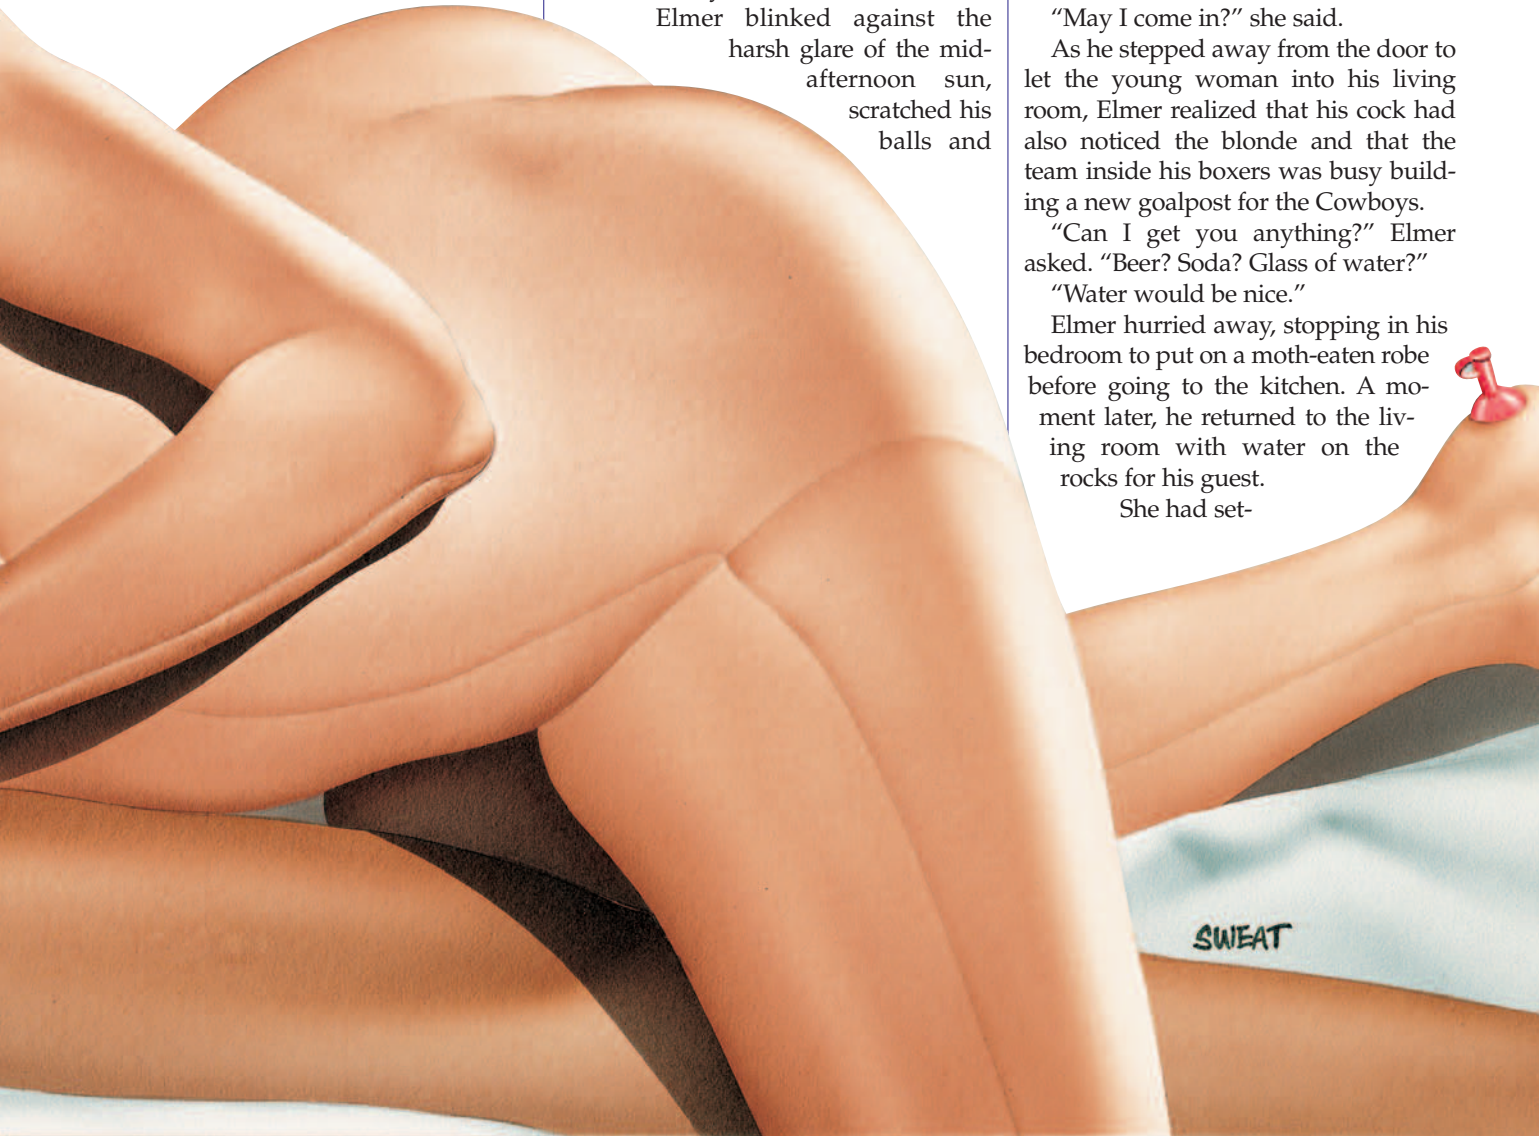

As he stepped away from the door to let the young woman into his living room, Elmer realized that his cock had also noticed the blonde and that the team inside his boxers was busy building a new goalpost for the Cowboys.

"Can I get you anything?" Elmer asked. "Beer? Soda? Glass of water?"

"Water would be nice."

Elmer hurried away, stopping in his bedroom to put on a moth-eaten robe before going to the kitchen. A moment later, he returned to the living room with water on the rocks for his guest.

She had set-

SWEAT

tled onto the couch in his absence, and he had to step around the La-Z-Boy to reach her. The blonde took the glass from Elmer's shaking hand and thanked him.

"You haven't told me why you're here, uh..." Elmer hesitated.

"Reba."

"You haven't told me why you're here, Reba."

The blonde sipped from her water and then smiled. "You ordered me."

"Ordered you to do what?"

"Anything. Anything at all."

Elmer's brief sleep had already been interrupted twice, and he was having trouble following the conversation.

"I don't have time for this nonsense," Elmer said. "You'd best finish your water and go."

Reba placed her water glass on the end table and stood. Elmer walked her to the door and then returned to bed.

A few minutes later, Reba slipped under the covers behind him and pressed her naked body against his back. Her warm breath tickled the hair on his neck, and Elmer's cock grew rigid when Reba slipped her hand under the waistband of his boxers and took it in her hand.

Elmer kept his eyes closed as the young woman stroked his erect cock, her warm fingers massaging his shaft and tickling his cock head as they moved up and down its turgid length. As she moved her arm, her heavy breasts rolled against his back, and her thick nipples poked him.

In a heavy whisper, Elmer said, "But I don't know you."

"You will," Reba said. "You will."

She released her grip on Elmer's cock and urged him onto his back. Then she told him to take off his boxers. As soon as he abandoned the Cowboys, Reba bent forward, her soft, blonde hair spilling onto his lap. She wrapped one hand around the base of his cock and then took the head of it into her mouth. Her tongue circled his spongy-soft glans. Around and around it went, bathing his cock in her saliva before she bent her head lower and took more of his cock into her oral love orifice.

Elmer reached down and held the back of Reba's head as his hips began bucking up and down. He thrust every inch of his cock into Reba's mouth and then pulled back until her teeth caught on the ridge of his cock head. Then he did it again, and again.

Elmer couldn't believe what was happening. Even his ex-girlfriend had never been able to take more than half of his cock into her mouth, and he had thought that she was something special.

When he came, he came hard, firing a thick wad of hot spunk against the back of Reba's throat. She accepted every drop as her tongue circled his cock head and cleaned away his cum. Then she lay in his arms, her massive mams stacked one atop the other, and pressed against his side. She kissed his neck and his shoulder, and soon his cock began to regain its stature.

Reba straddled Elmer's waist and pressed herself down and around his growing cock. He watched her eyes widen in surprise as his cock completely filled her, and he felt her pussy grip his cock like a well-made glove.

A sliver of sunlight sliced through a gap in the curtains, and Elmer saw Reba completely naked for the first time. The sight of her massive mams thrusting forward from her chest, as if gravity didn't exist, made his cock even harder, and it seemed as if her nipples were straining to reach him.

He reached up and took her tits in his hands, covering Reba's constricted areolae as her fat nipples drilled into his palms. His previous girlfriends had all been small-chested, and Elmer had never gripped a tit without completely covering it with his hand. He smiled as he massaged the young blonde's tit-flesh, feeling it ooze between his fingers, and he marveled at all that he had been missing. Then she began riding him, rising up and dropping down the length of his cock. He thrust his hips to meet hers, and soon they were fucking so hard, the bedsprings squealed.

"Yes," she urged. "Yes!"

Elmer released his grip on Reba's tits and grabbed her waist as he drilled into her again and again. Reba's breasts began bouncing up and down, and the motion mesmerized him. Elmer just couldn't restrain himself, and he came hard, sending his second wad of hot cum deep inside Reba's throbbing pussy. Her pussy continued spasming around his cock, as if trying to milk him dry, until his cock finally slid free.

Then she collapsed on top of him, her heavy breasts flattening against Elmer's chest. He fell asleep, happier than he had been in a long time, wondering what he had done to deserve this dream. This love doll.

"Wow! You really like it up the ass! A lot!"

Elmer didn't want to go to work that evening, but to his surprise, Reba insisted.

"I'll still be here when you return," she said seductively. "I'll be waiting just for you."

Elmer showered and changed into his uniform as Reba watched from the bed. Then he drove to the warehouse.

The security guard from the previous shift was standing at the time clock when Elmer arrived.

"You're late," the guard said.

"Sorry," Elmer said. "It's only a couple of minutes."

The other guard stared at Elmer for a few seconds.

"You feeling okay?" he said. "You look beat."

"Just tired," Elmer said. A smile tugged at the corners of his mouth when he thought about telling the other guard why he was so tired. "I didn't get much sleep."

After Elmer punched in, the other guard punched out, and soon Elmer was the only person on site. He walked the perimeter of the grounds, checked all the doors and windows and then settled into the guard shack, where he could watch the security-camera monitors. When he felt his eyes close, he forced them open and set the alarm on his watch to go off five minutes before he was scheduled to make his next circumnavigation of the grounds.

Elmer dozed off more than once during his shift, but he never missed his scheduled rounds. He wasn't nearly as tired when he clocked out as when he had clocked in, and he felt good enough to make a brief stop at the shopping mall on the way home.

As soon as he stepped into the house, Elmer called out Reba's name.

"I'm in here," she replied. "Right where you left me."

He followed her voice until he stood in the doorway of his bedroom. She lay on his bed watching him with her sensuous eyes. She had one hand tucked behind her head and the other at her side. The sheet only covered her from the waist down. He could barely tear his gaze away from her naked breasts long enough to watch her eyes as he held up a paper bag.

"I brought you a gift," he said.

"Don't tease me," Reba said. "What is it?"

Elmer opened the bag and pulled out a sheer, black teddy. He held it up for

her to admire. He watched happily as her eyes widened.

"It's beautiful," Reba said. She sat up. "Help me put it on."

Elmer crossed the room and helped Reba into the teddy. Then he asked, "You want breakfast?"

After she was all dolled up, Reba wrapped her arms around Elmer's neck and pulled him down on top of her.

"I don't need breakfast," she whispered into his ear. "I just need you."

Elmer was still wearing his uniform, but he struggled out of it. Then he poised himself between Reba's wide-spread thighs and fucked her hard and fast. He was very quickly beginning to like his new life, and especially his new, big-titted girlfriend. Suddenly, very suddenly, life was good.

Elmer barely had time to look after the other important things in his life—such as preparing meals and paying the bills—because Reba proved to be an insatiable lover, a woman who never tired of Elmer's attention and who was always receptive to his sexual advances. The truth was, he had never known anyone like her.

For the next three months, she greeted him every morning when he returned from the warehouse by fucking him to sleep, and she was there when he awoke, prepared to service his cock again. Before long, Elmer thought he knew every one of Reba's bedroom maneuvers. But one morning, she surprised him.

He'd just returned home from the warehouse, refreshed after a brief nap he had taken during the last hour of his shift, and she was waiting for him in the living room.

"I've been thinking about you all night," Reba said.

Elmer pulled off his uniform and dropped everything in a heap on the floor. Reba dropped to her knees in front of Elmer and took his rapidly stiffening cock into her mouth, tonguing it in that circular way he liked so much. He reached down and held the back of her head as he pistoned his cock in and out of her mouth. Reba's hair was a little stringy, like she hadn't bathed recently, but he didn't care. Not with what she was doing to him now.

Before Elmer could come, Reba pulled her mouth away and stood up. She pressed herself against Elmer,

**Being in *Voluptuous* has changed her life.**

"I keep masturbating to the pictures of me fucking that big-dicked guy," said 44-year-old Eva, referring to the pictures of her fucking and sucking Marino's dick in the March '06 *Voluptuous* Xtra. "I look at those pictures, and my pussy gets all wet, and my nipples get hard, and it's all I can do to get my knickers off so I can stuff three or four fingers into my pussy. I'm such a nasty slut. I've been showing my pictures to every guy I fuck. And I've been fucking a lot."

A woman with blonde hair and bangs is sitting on a bed, smiling at the camera. She is topless, showing large breasts, and is wearing red underwear. Her hands are resting on her thighs. The background includes a dark headboard and a white fur rug.

Eva said fucking in *Voluptuous Xtra* has opened up her sex life in ways she never expected. "I've always been a horny lady, and I've always had a lot of sex, but when I tell guys that I fucked in a men's magazine, their dicks get extra hard, and something comes over them," she said. "They call me a slut while they're fucking me. I love it. They make me take their cocks all the way down my throat and lick their balls. They fuck my tits and cum on my face."

Why is being called a slut while fucking and taking cocks all the way down her throat and licking balls such a change of pace for Eva? "Because I've always been the dominant one in bed," she reminded us. "I've always been the one who sat on the man's cock and decided how deep his cock went into my pussy and told him how we were going to do it. But since I fucked in *Voluptuous*, I've learned to be a fuck doll for men, and that's fun, too. So, thanks, *Voluptuous*." No, Eva. Thank you!

crushing her massive mams against his chest and trapping his rigid cock against her abdomen, and whispered in his ear.

"Take me in the ass," she said.

No woman had ever offered Elmer that before. His eyes widened with surprise and delight.

"Are you sure?" he said.

"Of course I am," she whispered. "I would do anything for you."

Reba turned and bent forward, thrusting her ass toward him. Elmer snuggled his cock between her butt cheeks and slipped it up and down the length of her ass crack.

"Stop teasing me," Reba said. "Take me now."

Elmer pressed the swollen head of his cock against the tight pucker of Reba's asshole, and then he pressed forward until the mushroom cap popped inside of her. Elmer had thought Reba's pussy was tight, but her ass was even tighter, and her sphincter nearly strangled his cock as he slid it in.

"Don't stop!" Reba cried out.

She pressed back against Elmer as he pressed forward. Then Elmer grabbed her hips and began fucking her ass. He drew back and pushed forward again and again, and she met every one of his thrusts with one of her own, urging him to fuck her harder and faster. As he fucked her, Reba's massive breasts swung forward and back like wrecking balls intent on smacking her face.

"Yes!" she cried. "That's it! Yes!"

Elmer came hard and long, sending thick wads of hot spunk deep into Reba's rectum, and they collapsed onto the bed. As they lay on the floor together, Elmer asked. "Have you ever done that before?"

"Never," Reba said breathlessly. She got up on one elbow and looked down into Elmer's eyes. "I would only do that for you."

When she placed her head on his chest, Elmer stroked Reba's hair and smiled. He was truly in heaven.

Two days later, Elmer and Reba were about to fuck on the couch when a knock on the front door interrupted them. After he pulled on his pants, Elmer opened the door and found his ex-girlfriend standing on the

other side of the screen. He could hardly believe his eyes.

"Jerry's mother threw me out," Terri said. "I can't believe it."

Elmer just stared at his ex-girlfriend. For more than a year, he'd dreamed of her return, and now she was standing on his porch. Terri had gained a few pounds since he'd last seen her, filling out her hips and her bust, and she'd changed her hair. She looked better-beautiful, even-but she had waited too long to return.

"It's just as well, too, because I'm getting tired of playing 'hide the light saber' with a guy who looks more like Jabba the Hutt every day," Terri said. She stared into Elmer's eyes. "I need a place to stay."

"I don't have room for three."

"Three?"

"I'm seeing someone else," Elmer said, almost proudly.

Terri stared at him for a moment.

"Well, can I come in for a minute?"

"Now's not a good time."

Elmer's ex-girlfriend pushed past him and into the living room.

"Terri," Elmer said, making introductions between the two women, "this is Reba, my new girlfriend."

"She isn't happy to see me, Elmer," Reba said to Elmer. Reba was wearing the sheer black teddy Elmer had given her, and she made no effort to cover herself. "I can see the jealousy in her eyes."

Terri looked at the grimy blow-up doll that had been thrown spread-eagle on the couch. Then she looked at Elmer. "This is Reba?"

"I met her after you left," Elmer said. "She's everything you never were."

"She'll never do the things I do," Reba said. "I have three orifices for the serious lover."

Terri grabbed the blow-up doll's arm and lifted it from the couch. "You'd rather spend time with this?"

"She's hurting me," Reba said.

Elmer grabbed Terri's wrist and forced her to release her grip on Reba's arm. "You'd better go now."

Terri stared hard at Elmer. "I will," she said, "and I won't be back, either."

Elmer's ex-girlfriend slammed the door on her way out, leaving Elmer with the only woman who had ever truly understood his needs.

As he unfastened his pants, Reba slowly dropped to her knees. This was the woman he wanted. This was the love doll of his dreams.

### THE "FUCK-ME" POSE: A MUST FOR ALL PICTORIALS

Dear *Voluptuous*,

Just wanted to say how much I got off on Hayden's pictorial in the September '06 issue. This is due to the pose she's striking on the bottom half of page 45, what I call the "fuck me" pose. Every, and I mean every, girl's pictorial should include at least one "fuck me" pose: full-body shot, lying back, looking straight into the camera while spreading her pussy wide with both hands. Her knees should be bent, bringing her asshole into view and also affording us a look at her heels. If she could stick her tongue out of the corner of her mouth in a lip-licking gesture and if you could make every one of these shots a full-pager, then so much the better.

It's not difficult to see why I call this the "fuck me" pose. When I'm stroking to a model, I like to imagine what she'd look like lying on a bed in front of me, begging me to pound my pole into her.

The perfect "Fuck-Me" pose: Bianca in the March '05 issue of *Voluptuous*.

The most spectacular example of the "fuck me" pose I've seen in *Voluptuous* was Bianca's on page 22 of the March '05 issue. So good, you can position the mag between your legs and almost be riding her. Please show it again for the readers who missed it.

Before I go, I can't believe no other UK readers have asked this, so I will: Why can I not purchase your (XXX) DVDs, uncut, here in the UK? I rarely see them in licensed adult stores, and your UK supplier, Double-D Productions, only sells soft versions. Hardcore has been perfectly legal here now for about a decade, so what's the problem? Please don't tell me to buy online because I don't have access.—Karl S., Yorkshire, England

Dear Karl: Most of The SCORE Group's movies are sold through licensed adult stores in the UK. We are surprised to hear that you have difficulty finding them. We can not legally sell via mail the XXX versions if they are shipped from within the UK. That is why you can only get soft-core versions via mail from Double-D Productions. We are allowed to ship the XXX versions to you from Miami. We ship daily via Fed Ex to our loyal UK readers and DVD buyers. You don't need to order online. You can fax orders to us.

If you would like to learn more about which XXX titles are available and where to purchase them in the UK, call the offices of Double D productions at 02088779666 and ask to speak with Peter.

#### 16 PAGES OF XXX: NOT ENUF

Dear *Voluptuous*,

Thanks for giving us 16 pages of XXX every issue, but I'm going to be greedy and ask for more. I don't want an entire magazine of hardcore, but 32 pages, or even 64 pages, would be great. I think every issue should have anal, too.—T.A., Syosset, New York

## ANNIE SWANSON

**One of the greatest short-and-stacked V-Girls is in a very maternal mood.**

"I'm pregnant! Do you still want me?" Annie Swanson said when she called us several month ago. Want her? Damn right we wanted her, and so did you, judging by the letters we get every day demanding pregnant V-Girls. "How pregnant?" we asked. "Three months," she said. "I'm showing." So we did the math. Started counting on our fingers. "How about if we shoot you at six months?" we asked. "Fine," said Annie, always a trooper. "And how about if you shoot me again at nine?"

A pregnant woman with long, dark brown hair is smiling and looking towards the camera. She is wearing a bright pink, long-sleeved robe with a matching sash tied around her waist. Her robe is open, revealing a white lace-trimmed bra and white underwear. She is gently holding her bare pregnant belly with her right hand. The background consists of a brown curtain on the left and a window with white blinds on the right. The overall lighting is soft and warm.

## DEVYN INTERVIEW

Continued from page 34

**V-Mag:** Come-fuck-me heels? How high are they?

**Devyn:** They're going to be five-inch heels with a two-inch platform.

**V-Mag:** Wow! So you're hot and ready to go! Will you oil up your boobs before you go out?

**Devyn:** No, but I'll put some nice cocoa butter on them or some lotion.

**V-Mag:** Lotion? We have lotion! We have oil, too. Want some oil?

**Devyn:** Sure! *[She's handed some oil]*

**V-Mag:** Okay, so you're pouring that oil onto your boobs and getting ready for our third date. *[Devyn pours oil onto her tits and rubs it in]* By the way, who's your favorite comedian?

**Devyn:** David Spade. And Janeane Garafolo. They're sarcastic, and that is my humor. And I have to throw Adam Sandler in there, too.

**V-Mag:** Do you like Andrew Dice Clay at all?

**Devyn:** *[Still rubbing oil into her tits]* I'm not crude. He's so 1980s, anyway.

**V-Mag:** How about Jerry Seinfeld?

**Devyn:** *Seinfeld* is good. I have seasons one through three on DVD.

**V-Mag:** So let's say we're sitting at the table on our third date. We're eating Italian food. Are we eating a lot? Are we talking a lot? Are we playing under the table?

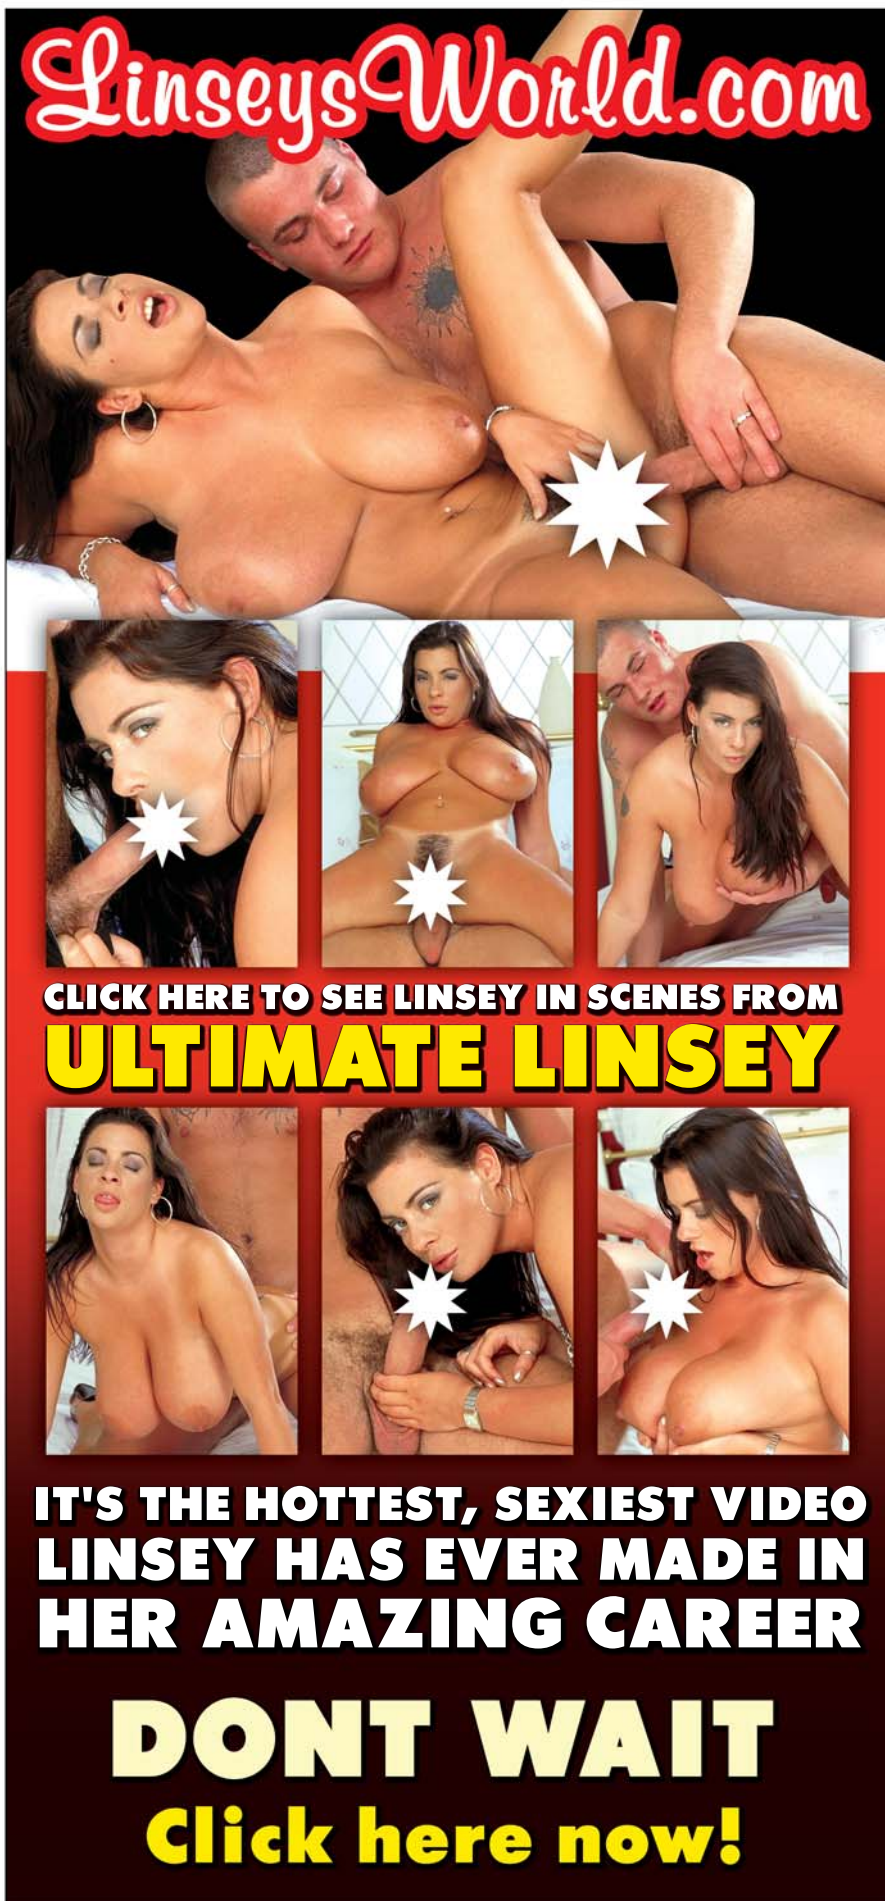

**Devyn:** There might be some footsies going on under the table. Maybe. I'm really particular with my footsies. I once told a guy that if he ever played footsies with me, I was going to kick him in the balls, and seven months later, we were playing footsies. So I don't know. We're playing footsies. We're talking over some nice hors d'oeuvres. I love hors d'oeuvres. And this is when the guy can tell the jokes. This is his chance to shine and make me see that he's funny. And there's definitely going to be a lot of flirting going on and a lot of sexual tension.

**V-Mag:** Is he looking you in the eyes or staring at your chest or both?

**Devyn:** If he's smart, he'll be staring at my chest because I'll be horny and I want to know that he wants some.

**V-Mag:** So the guy should not be looking you in the eyes at this point?

**Devyn:** Not on the third date. The guy needs to be checking me out. He needs to be looking me all over.

**V-Mag:** You shouldn't have to tell him that you want him, right?

**Devyn:** He should know by the look in my eye. It's kind of like a "come-fuck-me" look. Dinner might get cut short and we might have to leave.

**V-Mag:** We wouldn't do it in the restaurant, would we?

**Devyn:** No, not the first time?

**V-Mag:** Who's leading the way out the door, him or you?

**Devyn:** He is.

**V-Mag:** And he says?

**Devyn:** "Let's go!"

**V-Mag:** Are you going to his place or your place?

**Devyn:** Preferably his place, although I do have my place set up just in case.

**V-Mag:** Set up? How?

**Devyn:** Candles, condoms, lube, toys, handcuffs, restraints. I'm pretty freaky, and I'm down for anything. I'm not saying we would use all that stuff, but I like to be prepared.

**V-Mag:** What kind of toys?

**Devyn:** Vibrators, dildos. A little paddle for spanking.

**V-Mag:** Who's spanking who?

**Devyn:** He's spanking me, preferably while he's pulling my hair.

**V-Mag:** Where's he spanking you?

**Devyn:** On my ass, of course. You see, I'm so dominant in life. My personality is so in-your-face and out there, and sometimes a girl just needs to be put in her place.

**V-Mag:** So you need a strong guy?

**Devyn:** I do need a strong guy, but I also need a guy who will let me do the same thing to him. It's not like I want to put on a strap-on and fuck him in the ass. I just want to tie him down a little bit.

**V-Mag:** Do you want to put on a strap-on and fuck him in the ass?

**Devyn:** No.

**V-Mag:** Are you sure?

**Devyn:** Yes!

**V-Mag:** Because some guys will let you do that, you know.

**Devyn:** That's okay. I'll save that for the girlfriend!

**V-Mag:** Okay, so let's get back to the date. You're at his place. What happens next?

**Devyn:** He's going to be forceful, but he'll know his limits. He's gonna kiss me real hard and push me on the bed, but he's going to mix it up. He's going to be forceful, then he's going to be gentle, and he's going to tell me that

# MARIA MOORE

**Good news, V-Men. We caught her on a big day.**

"My boobs are too out of control to go bra-less," said V-Mag fave Maria Moore, who right here is showing us what her puppies look like contained in a FF-cup bra. Yes, FF-cup is supposedly her bra size, but she's stretching the seams of this baby. "My breasts go up and down in size pretty regularly. I guess this must've been a big day for them." Unlucky for Maria's helpless bra. Very lucky for us.

We've often wondered where a pair of natural rockets like Maria's come from. Do big tits run in the family? Do big tits skip a generation? "I have five sisters, and three of us have very big boobs," Maria said. "The other two do not. They take after my mother, who's not big, but my grandmother was huge. She was much bigger. I must have really good boob genes, because even my mother's mother had huge boobs, so it's on both sides." The thing is, we've seen stacked mother-daughter combinations (Kelly Kay and her mom), so maybe only this is certain: We should be thankful for women like Maria and not ask stupid questions.

## BARE FACTS MARIA MOORE

**Birthday:** June 12, 1975 **Age:** 31  
**Height:** 5'3" **Weight:** 147 lbs.  
**Bra:** 36FF **Measurements:** 44-30-42  
**Lives:** Philadelphia, Pennsylvania

Maria has been living with her big tits since she was 12 and has experienced the good and the bad. "There's a huge boob prejudice," she said. "People stereotype me because I have big boobs. They see me as being more of a bimbo, a little bit more on the easy side, which is not necessarily true. I mean, yes, when you have big boobs, you're more out there with your sexuality because they make you so much more aware of it. You can't miss the fact that, 'Yes, I have these things on my chest.' But I hated that. Growing up, I was always looked at like, 'Maybe she's not so smart, but she has a really nice rack.' Why can't I be smart and have a nice rack?" She can. She does.

**Voluptuous and XL Girls** readers have been waiting anxiously for 47-30-50 mega-star Devin Taylor's first full-length video, and here it is. ## DEVYN INTERVIEW

Continued from page 80

I'm beautiful and he's been wanting this for so long. And we're just going to take it from there. I don't have a plan as far as, "Now we do this and now we do that." It's going to flow from there, and if it's going to be romantic, it'll get romantic, and if it's going to get kinky, it'll get kinky. We're just going to have a good time.

**V-Mag:** You know what, Devyn? I just noticed something. Nice lips.

**Devyn:** Thank you. I've been told that I give very good head.

**V-Mag:** Well, here's a dildo. Can you show us your technique?

**Devyn:** Sure! *[Devyn takes the dildo]* First you have to start at the base of the shaft, and you have to play with it. Really get him in the mood. And I like to start underneath. *[She licks the lower portion of the dildo]* Do a little of that. *[She sucks on the head and works it in and out of her mouth]* And that's how I give head. I do have a bad gag reflex, though. Whatever I don't do in deep throating, I make up for in tongue action. That's the key. Tongue action.

**V-Mag:** How about the balls?

**Devyn:** The balls are good. The balls definitely need to be paid attention to.

**V-Mag:** Well, on this third date, when does the blow job come into play?

**Devyn:** If he has taken the lead, it's going to be after he's gone down on me. If I'm taking the lead, then we're starting right out with the blow job.

**V-Mag:** When he's going down on you, does he go right for your pussy or does he go for your tits first?

**Devyn:** He goes for my tits first. I've never met a guy who didn't go for my tits first. I'm not a big nipple girl, so you should never go straight for my nipples. You should always go for around the outside. *[Lifts a breast and licks around her areolae]* And don't ever forget the underside. And then you go slowly. *[Licks her nipple]* You have to have something to build up to. And then you can get a little rougher and use your teeth. But he's not going to stay there forever. He has to mix it up. I've never been a girl who likes to go camping, and I don't expect my men to camp, either, so he's going to start on my chest, go down to my pussy for a while, make his way back up to my tits for a while, go back down to my

pussy. Up and down. We're just gonna have fun.

**V-Mag:** Sounds like fun to me. Maybe we should visit your pussy for a while now. What should the guy do while he's going down on you?

**Devyn:** That's an easy question. He should start right down in here [*Puts her hand on the bottom of her pussy*] and come straight up like he's licking a lollipop. And then he should go down either side and come back up, then go to the other side and come back up, and then he should find the clit and stay there for a little while. Spread me open, go back to the clit, use a finger or two and just have fun.

**V-Mag:** One finger or two?

**Devyn:** He could start with two. It might have been a while since I've had sex, so you have to loosen up my pussy a little.

**V-Mag:** Do you want his finger inside?

**Devyn:** Yes.

**V-Mag:** And what do you mean by "find the clit"?

**Devyn:** [*Smiles and rubs her clit*] Some guys can't find it. It's not that difficult. It's right there! And if they just suck on it a little bit, it comes out. Just tug on it a little bit.

**V-Mag:** So, how many times in a night are we having sex? One, two, three?

**Devyn:** It depends on how the first time went. If I want to get my clothes and get on out of there, don't expect a fourth date, but if it's a really good date, I'm thinking two or three times.

**V-Mag:** It's possible for a guy to blow a date with sex, isn't it?

**Devyn:** It is possible. But after we have sex, it depends on his attitude. If he thought he was God's gift but he made me yawn and go to sleep, he's so not getting a fourth date. But if he knows it wasn't good and can explain himself a little bit, I'm going to have sympathy. I'm going to have mercy on him.

**V-Mag:** Let's say the guy cums in 45 seconds and says, "Man, that was amazing! I never lasted so long."

**Devyn:** [*Laughs*] He's definitely out of there! No questions asked!

**V-Mag:** But if he cums in 45 seconds and says, "Oh, Devyn, I'm sorry. You just got me so excited, I'll try harder next time."

**Devyn:** Definitely a fourth date. Maybe another shot on the third date.

**V-Mag:** You know, Devyn, I don't know why I'm saying this, but for

some reason, I suspect that you really get off on getting yourself off, and you can make yourself cum.

**Devyn:** [Laughs]

**V-Mag:** What's that laugh for?

**Devyn:** Because I'm wondering where you're going with this. [Laughs]

**V-Mag:** Nowhere, really. I'm just wondering what your favorite way to get yourself off is.

**Devyn:** With my vibrator.

**V-Mag:** What do you do with it?

**Devyn:** My eyes are closed. I'm having some kind of mental fantasy. And it's on my clit.

**V-Mag:** What's your fantasy?

**Devyn:** It depends. Sometimes it's two guys and a girl, sometimes it's two girls and a guy. Sometimes it's a stranger. Sometimes it's in a strip club.

**V-Mag:** Do you watch adult videos?

**Devyn:** Yes. But if I watch porn, I'm done in like 30 seconds.

**V-Mag:** You like porn?

**Devyn:** I do. When I was younger, I used to like the plot of porn. It wasn't about them having sex. It was about how they got there. It was about the conversation between the two people and what was he doing and what she was saying. Now it's just about the guy going down on the girl. That does it for me. I love that. I love watching a guy go down on me. I've got mirrors.

**V-Mag:** Have you ever taped yourself?

**Devyn:** Yes.

**V-Mag:** Well, do you think you're going to watch the boy-girl videos you're making for *Voluptuous*?

**Devyn:** Well, I'm going to watch the whole thing for an overall critique, and it's just going to help me get better, both on video and in my personal life. And I'm going to be watching the guy to see if he's into it. He'd better be!

**V-Mag:** He'll be into it, and we'll be into it, too, and you'll be able to tell from his hard-on. And you know what, Devyn? Right now, I'm going to go watch you fuck on video.

**Devyn:** Great! Can I join you?

**V-Mag:** Sure! Now say goodbye to the guys, Devyn.

**Devyn:** Bye, guys!

# REDD ADAIRE

**A brand-new plumper who knows what's good for you.**

"Being naked in *Voluptuous* is definitely not the wildest thing I've ever done," said Redd Adaire, a plumper who has packed a lot of living into her 27 years. "I've fucked on top of a taxi cab in the middle of Piccadilly Circus. I gave head to a Buckingham Palace guard while he was in uniform. So this is just another notch on my belt."

## BARE FACTS

### REDD ADAIRE

Birthday: May 26, 1979

Age: 27 Height: 5'6"

Weight: 152 lbs. Bra Size: 38E

Measurements: 44-32-40

Born: Oxford, England

Raised: South Africa

Lives: London, England

Redd describes herself as a fun-loving, horny girl who sees nothing wrong with doing just about anything, as long as nobody gets hurt. "Been there, done that," she said. "I'm looking for a new challenge. Any ideas?" Ideas? Well, let's see. How about if you suck whipped cream off our cocks, Redd? "Been there," she said. How about if you shave your pussy while we fuck your ass? "Done that." How about if we take you out for dinner and don't try to get into your panties afterwards? "Now that's never happened to me," she said. "And if it did, I'd be getting into *your* pants. So don't even try that."

"Skinny girls suck," Redd said. "They walk around with their bony asses and their little tits and they think they're all that. Well, yeah, they are all that, if you're a gay guy. If you don't like big, fat titties and plush asses that cushion your balls on the push-in. I've heard girls talking behind my back. They say stuff like, 'Oh, Redd's so fat. Why would any guy want to be with her?' Meanwhile, I just caught their boyfriend looking at me, and I could have him any day of the week if I wanted. Once you give guys a taste of what it's like to play with a girl's toys, he's never gonna want to stop playing." We'd never stop playing with you, Redd. "That's right, boys, you wouldn't," she said. "And I betcha when you look at these pictures, you're never gonna stop playing with yourself."

## Sleeping Sluts

**Five busty babes play out your voyeur fantasies.**

Five V-Girls fantasize about being watched while wearing sexy clothes and going about their days. They imagine what it would be like to wake up with hands on their tits and cock in their pussies. So they convince their boyfriends to help them play out their fantasies. In the new DVD *Sleeping Sluts*, five V-Girls want you to watch...and play.

Trisha Banks

*Trisha Banks*

The F-cup newcomer (Dec. '06) does the laundry and takes a bath while her guy watches from afar. When she goes to "sleep," he makes his move. He loves her big tits and bald pussy, and Trisha loves "waking up" to a cock that's ready for action.

## *Sleeping Sluts*

**Trish Bailey**

This DD-cup student (Sept. '06) falls asleep on her couch while reading a book and dreams about having her tits man-handled and her shaved pussy fingered. But when she wakes up, she realizes she wasn't dreaming! She treats her boyfriend to a sloppy blow job, then hops on top of his cock!

*Monique L'Amour*

The F-cup plumper is bulging out of her tight workout outfit and tiny bikini, making believe she doesn't know that she's putting on a show for a horny admirer. She goes inside and "falls asleep" while watching TV, then "wakes up" smiling? Why? Because a hard cock is ready for her.

### Kerra Dawson

Short-and-stacked Kerra Dawson goes out for a jog, then goes home and decides to take a nap. Wow, she's pooped! She dreams about hands all over her tits and cock deep in her cunt, and when she wakes up and sees her boyfriend, she knows what she wants.

**Lily Valentine**

It's lonely out in the woods for Oct. '06 new-comer Lily Valentine, and collecting wood for the fire has her wiped out. She decides to take a nap, and when she wakes up, she's horny and ready...for the big, hard cock that's already knockin' at her pussy door. She's not so lonely anymore!

# CHERRY & BRANDY GET THEIRS

Horny after a day of modeling, the two girls called Mr. Fix-It to fix their itch.

Cherry Brady and her pal Brandy Talore are sitting around the *Voluptuous* Studio, horny after a day of showing off their tits and stuffing their pussies for the camera. "Hey," Cherry says to Brandy. "Did you see that maintenance guy who came in during our last shoot?" "The blond?" Brandy says. "I've got an idea," Cherry says. "Watch this." Cherry summons the maintenance guy to the studio for some repairs, but it turns out that the only thing that needs fixing is the need for cock that's raging through Cherry and Brandy's bodies. When the maintenance man arrives, he realizes he's been set up, but who minds being set up for two heaping helpings of big, natural tits and steaming pussies? Not this guy, who takes them up on their offer to "Hang out."
